PETITION

Horses, donkeys, and ponies were found in a grotesque and distressing state and left to die at **Spindles Farm, Amersham, Hyde Heath, Buckinghamshire.**
(Re-named during 2008 to 'Old Home Farmhouse')
100 more horses were discovered emaciated and living among 31 carcasses, in what the RSPCA Officer described as, 'the worst case of animal suffering they had ever seen'. There was no indication that they had been shot or killed humanely, but left to die and suffer unnecessarily. A further 3 horses had to be put down.

WE THE UNDERSIGNED BELIEVE THAT, DUE TO THE EXCEPTIONAL LEVEL OF CRUELTY TO WHICH THESE ANIMALS WERE SUBJECTED TO, AND THE NUMBER OF EQUINES INVOLVED IN THIS CASE - FOLLOWING THE GUILTY VERDICTS OF THE GRAY FAMILY, WHICH ARE NOW SUBJECT TO AN APPEAL, WE REQUEST THAT THE MAXIMUM CUSTODIAL SENTENCES ARE IMPOSED TOGETHER WITH A LIFE BAN ON KEEPING ANIMALS.
