Below is a list of health charities and whether they conduct or fund animal research. This list is not definitive, as policies change. Please contact Animal Aid at info@animalaid.org.uk if you have received a reply from a charity about their animal testing policy, so that we may keep this file up to date.

* Charities which are members of the Association of Medical Research Charities (AMRC). AMRC members must endorse the AMRC's position statement on animal experiments. According to the AMRC website, members 'all support the principle of using animals in research'. Even if they do not fund or conduct animal experiments themselves, members must still endorse the statement.

List updated October 2022. Victims of Charity is an Animal Aid initiative.

Animal Aid | The Old Chapel, Bradford Street, Tonbridge, Kent TN9 1AW
