

How to make your animal sanctuary

1 Cut out the animal sanctuary base.

2 Cut out the **8** parts from the paper sheet.

3 Share the **8** parts between everyone in the group.

4 Share the animals between everyone in the group.

5 Everyone colour in their animals and parts.

6 Arrange the coloured parts on the base.

7 Glue them down.

8 Fold up the sides and glue the tabs to make the sanctuary!

9 Discuss which habitat each animal would be happiest in.

10 Glue the animals in their new homes!

11 Discuss the **+1** things which the animals might like in their homes.

12 Draw or label any **+1** extra things you have chosen.

13 Think of a name for your sanctuary and write it on the sign.
